

Announcement

Meeting of ISO/IEC JTC1/SC22/WG5

February 10-14, 1997

Sunrise Suites, 4575 Boulder Highway
Las Vegas, NV 89121, USA

The next meeting of WG5 will be held at the Sunrise Suites Hotel in Las Vegas, NV, USA from 10th to 14th February 1997. Details of booking and travel arrangements appear overleaf.

This is a joint meeting with ANSI/X3J3, and is a full meeting of each committee. It will be chaired by the Convenor of WG5, with the Chairman of X3J3 as vice-chairman of the meeting.

The primary purpose of the meeting is to complete the preparatory work for Fortran 2000 that was begun in Dresden, and to continue with the technical work in some of the key areas. In addition, it is hoped to complete any remaining technical work on the Technical Report on Interoperability between Fortran and C prior to its submission for PDTR registration and approval, and on Part 3 of the Fortran Standard (Conditional Compilation) prior to its submission for CD registration and approval.

Non-technical work will be kept to a minimum at this meeting (see Preliminary Agenda, WG5 N1233) and, wherever possible, will be dealt with by means of written reports which will not be discussed.

The major part of the meeting will be conducted in technical subgroups, based on those established in Dresden, with subgroup heads being chosen equally from WG5 and X3J3.

The meeting will be conducted according to a tight timetable, which will be confirmed during the opening business on Monday February 10th, and all participants are therefore encouraged to keep their contributions short and to the point. A "guillotine" will operate in Plenary sessions, if necessary, in order to limit discussion and keep to the timetable.

Heads of delegations are reminded that both the Convenor and the host (via the local contact, Mallory North – see overleaf) should be informed of the members of their delegations no later than one month before the start of the meeting.

Further information is available on WG5's World Wide Web pages (URL: <http://www.etrac.ox.ac.uk/wg5.html>), or may be obtained directly from the Convenor, Dr Miles Ellis, at <Miles.Ellis@etrac.ox.ac.uk>.

Meeting of SC22/WG5 in Las Vegas, February 10-14, 1997

Meeting Location: Courtyard Room
Sunrise Suites
4575 Boulder Highway
Las Vegas
NV 89121
USA

Accommodation: Sunrise Suites
4575 Boulder Highway
Las Vegas
NV 89121
USA

Tel: +1 (702) 434-0848 (from outside North America)
(800) 362-4040 (from North America, toll free)

Fax: +1 (702) 434-2513

A block of rooms has been reserved at a special rate of \$40 per night (single or double), plus 8% tax. When making reservations the key word "X3J3" should be mentioned to obtain this special rate. In case of difficulty in making a reservation, you should ask to speak with the Sales Manager, Valerie Troisi. Reservations should be secured by a credit card, but may be cancelled up to 48 hours before arrival without penalty. Reservations cancelled with less than 48 hours notice are subject to a penalty charge of one night's room rate, plus tax.

Note that bookings must be made before January 6th; the rooms cannot be guaranteed after this date.

Travel Arrangements:

Las Vegas is accessible by many airlines from most major North American airports. International travellers will have no difficulty in arranging connecting flights from their point of arrival in the United States.

The Sunrise Suites operates a regular shuttle to and from the airport, and delegates arriving at Las Vegas airport should call the hotel on (702) 434-0848 as soon as they have collected their luggage to arrange to be picked up by the next available shuttle and taken to the hotel.

Local Contact: This WG5 meeting is hosted by ANSI, with Mallory North acting as the local organizer.

He can be contacted as shown below:

Dr. C. Mallory North, Jr.
Professor of Mechanical Engineering
Rose-Hulman Institute of Technology
5500 Wabash Avenue, Campus Box 150
Terre Haute
Indiana 47803
USA
