Monday, February 10	0830 - 1730
Tuesday, February 11	0830 - 1730
Wednesday, February 12	0830 - 1730
Thursday, February 13	0830 - 1730
Friday, February 14	0830 - 1730

Note that this meeting is a joint meeting with ANSI/X3J3, and is a full meeting of each committee. It will be chaired by the Convenor of WG5, with the Chairman of X3J3 as vice-chairman of the meeting.

The major item of business is the finalisation of the content for the next revision of Fortran (Fortran 2000), and the commencement of technical work on some of the items therein. A substantial part of the meeting will be devoted to working in subgroups, with subgroup heads chosen equally from the WG5 and X3J3 membership. In order to expedite matters, it is not intended to have any discussion of agenda items preceded by an asterisk, which will be the subject of written reports only. Moreover, it is intended to operate the meeting to a detailed timetable, which will be confirmed under agenda item 2.6.
