

## Announcement

### Meeting of ISO/IEC JTC1/SC22/WG5

June 8-12, 1998

University of Trollhättan/Uddevalla  
Trollhättan, Sweden

The next meeting of WG5 will be held at the University of Trollhättan/Uddevalla from 8th to 12th June 1998. Details of booking and travel arrangements appear overleaf.

The major items of business are the review of current progress by the Primary Development Body, NCITS/J3, towards the development of the content of the Fortran 2000, and the revision of WG5's Strategic Plan for the period covering the development of the Fortran 2000 Standard, and beyond. In particular, now that two of the three Technical Reports on which work was authorised in 1995 are expected to be published around the time of the meeting, it is appropriate to determine how best to speed up the standardization of new features in response to market demand. Depending on the results of the current Registration and FCD ballots on Part 3 of the Fortran Standard, and on the DTR ballots for the two above-mentioned Technical Reports, it may be necessary to review comments received and determine appropriate action.

**Heads of delegations are reminded that both the Convenor and the host (via the local contact, Lars Mossberg – see overleaf) should be informed of the members of their delegations no later than one month before the start of the meeting.**

Further information about the meeting is available via the World Wide Web at <http://www.thn.htu.se/wg5thn98/>, or via WG5's own web pages (<http://www.etc.ox.ac.uk/wg5.html>), or may be obtained directly from the Convenor:

Dr Miles Ellis  
Director  
Educational Technology Resources Centre  
University of Oxford  
37 Wellington Square  
Oxford OX1 2JF  
England

Email: Miles.Ellis@etc.ox.ac.uk

## **Meeting of SC22/WG5 in Trollhättan, Sweden, June 8-12, 1998**

### **Meeting Web Pages:**

A special web site has been established to provide up-to-date details about all aspects of the meeting, including travel, accommodation, modifications to the agenda, etc. It can be found at:

<http://www.thn.htu.se/wg5thn98/>

**Meeting Location:** University of Trollhättan/Uddevalla

Note: This is about 300 metres from the recommended hotel.

**Accommodation:** Hotel Swania  
Storgatan 49  
Box 326  
461 27 TROLLHÄTTAN  
Sweden

Tel: +46 - 520 - 125 70  
Fax: +46 - 520 - 397 02  
E-mail: reservation@hotel-swania.se

You should mention that you are attending the WG5 meeting to obtain the special rate of 885kr (single) or 995kr (double). There is a further reduced rate of 585/735kr on Sunday night.

Note: 885kr is approximately £70 or \$110.

### **Travel Arrangements:**

Trollhättan has its own airport, with regular flights to Stockholm. However, delegates arriving from outside Sweden will probably wish to fly into one of the following international airports and then travel on to Trollhättan by air, rail or road, as appropriate.

#### **1. Gothenburg, Sweden: Landvetter airport**

A number of international airlines fly into Gothenburg Landvetter airport, which is the nearest international airport to Trollhättan. From the airport you can get a taxi (limousine service) directly to the Hotel Swania in Trollhättan. Alternatively, you can get the airport bus to Gothenburg railway station, and then travel by train to Trollhättan.

#### **2. Stockholm, Sweden: Arlanda airport**

Many international airlines fly to Stockholm. From there you can fly direct to Trollhättan Malöga airport. The hotel can be reached by taxi from Trollhättan airport.

### **3. Oslo, Norway: Fornebu airport**

Many international airlines fly to Oslo. From Oslo you can get a connecting flight to Gothenburg, and then follow the instructions (above) for getting to the hotel from there. Alternatively, you can get a bus from Fornebu airport to Oslo railway station, and then travel by train directly to Trollhättan.

### **4. Copenhagen, Denmark: Kastrup airport**

Many international airlines fly to Copenhagen. From Copenhagen you can get a connecting flight to Gothenburg, and then follow the instructions (above) for getting to the hotel from there. Alternatively, you can get a bus from Kastrup airport to Copenhagen railway station, and then travel by train directly to Trollhättan (via a ferry).

More information about travel can be obtained via the special web site that is being established for the meeting; its URL is <http://www.thn.htu.se/wg5thn98/>

It is also hoped that it may be possible to arrange a special rate for the limousine service from Gothenburg's Landvetter airport to the Hotel Swania. Details will be posted on the meeting web pages referred to above.

**Local Contact:** This WG5 meeting is hosted by the Swedish Standards Institute, SIS, with Lars Mossberg as the local organizer. He can be contacted as follows:

Postal Address: Lars Mossberg  
Hogskolan i Trollhättan/Uddevalla  
Box 957  
S-461 29 Trollhättan  
SWEDEN

Telephone: +46 520-475064  
Fax: +46 520-475098  
Email: [mossberg@thn.htu.se](mailto:mossberg@thn.htu.se)
