

ISO/IEC JTC1/SC22/WG5 N1329

Disposition of Comments on Approval Ballot for DTR 15580

There was only one comment, from Japan, to the effect that:

On Page 1, Introduction. ISO/IEC 559:1989 should be changed to IEC 559:1989.

This has been accepted, and the same change made in two other places.
